MXL II SPORT

**THE MXL II SPORT
IS FOR THE PILOT
WHO IS LOOKING
FOR EASY HANDLING
AND PRECISE CONTROL
RESPONSE.**

In its class, the MXL II Sport is the bestselling two seat light aircraft in the world. Over the years, pilots and flight training professionals have found in this model the predictable flight characteristics, quality, and ease of maintenance they desire.

Double surface wings and conventional three-axis controls combine to make this an excellent all-purpose aircraft. Recreational pilots like its greater speed range while flight schools and students are especially fond of its smooth and predictable flight characteristics.
